

Inflation Data

Aaron Peikert

2022-08-30

The dataset we use stems from the Bank of England Research datasets.

I quote:

This dataset contains the individual responses to our Inflation Attitudes Survey, a quarterly survey of people's feelings about inflation and other economic variables like the interest rate.

For this dataset **the Bank** of England asked 209.761 people for their opinion on the perceived and expected inflation. The survey has run quarterly since 2001.
